*Key: F2F = Face-to-Face or Live-streaming Anywhere   OL = Online   Reviewed: 3/1/2022

Notes: 1) Eight credits must be taken from two different science prefixes. BIO 100, BIO 105, BIO 201, GEO 101, PHY 111, CHM 130, AST 180 and GLG 101 are recommended.
2) Students interested in following UA Pathways with an ESL endorsement need four semesters of Foreign Language (replace elective credit with either four semesters of Spanish, American Sign Language, or other).
3) Students interested in teaching kindergarten through third grade (early childhood), replace elective credit with Early Childhood Education (ECE) classes. This will help to meet the Early Childhood Education endorsement criteria.
4) Students interested in teaching secondary education should select courses in their major area as electives (e.g., students who want to teach Biology should select Biology courses for electives; those who want to teach Math, should select Math courses).
